Subject: S/019/035 AMMI - water rights

Wayne,

I finally spoke with Mark Page, Division of Water Rights, Price Office (435) 637-1303 regarding the water rights for AMMI's Dolores River Placer Mine. Mark & I had been unable to connect since Oct. 29th.

A water right had been issued (WRNUM: 05-1093) to Blakes Mining in section 11, T23S R24E. On Dec. 11, 1981 John P. Blake assigned the water right over to X-Four Company with Demar Perkins, Ross Musselman, and Frederick Rogers listed. That water right then expired on April 4, 1986.

Mark searched their listing for other filings in that same location and found no current water rights issued. He will be contacting Dale Snyder of AMMI to discuss filing for a water right.
